## **PARTNERSHIP FOR MISSION**

**Our experience of Good Shepherd draws us together.  
The strength of our Partnership propels us out for mission.**

- a) In partnership we identify with Good Shepherd Spirit from whichever place we come and we recognise it in each other.*
- b) The strength of our partnership lies in equality and inclusiveness in our relationships. Partnership enriches us personally and communally.*

**Mission Partners (sisters and lay people) accept responsibility together for effective and sustainable Good Shepherd Mission into the future.**

Together we work towards:

- a) ensuring the Good Shepherd values, charism and heritage remain at the heart of mission.*
- b) designing governance structures and systems to enable participation at all levels of mission.*
- c) developing formation, education and leadership programmes which equip people to work in a partnership model for mission.*
